Welcome to Menton!

To make your stay even more enjoyable, here are some of my favourite restaurants and the must-see attractions on the French Riviera.

### Restaurants

#### Mirazur

##### **Fine Dining • Three Michelin Stars**

Led by Chef Mauro Colagreco, Mirazur is one of the world's most acclaimed restaurants. Its cuisine is inspired by the sea, the mountains and the chef's biodynamic garden.

 An unforgettable dining experience with breathtaking views over Menton Bay.

---

#### Al Vecchio Forno

##### **Authentic Italian Cuisine**

A cosy restaurant in the heart of Menton serving homemade pasta, traditional Italian dishes and a warm family atmosphere.

Perfect for a relaxed and authentic Italian meal.

---

#### Côte Sud

##### **Mediterranean Cuisine**

Located on the seafront, Côte Sud offers fresh fish, seafood and Provençal specialities to enjoy on its terrace overlooking the Mediterranean.

An excellent choice for lunch or dinner by the sea.

---

#### JR Bistronomie

##### **Creative Cuisine**

A contemporary bistro featuring refined dishes prepared with fresh local ingredients.

A highly recommended address for lovers of modern gastronomy.

---

### Places to Visit

#### Basilica of Saint Michael the Archangel

One of Menton's most iconic landmarks, located in the Old Town and surrounded by a beautiful Baroque square overlooking the sea.

---

### **Prince's Palace of Monaco**

Located on Monaco's famous Rock, the palace is home to the daily Changing of the Guard ceremony and offers spectacular panoramic views.

---

### **Monaco Exotic Garden**

A remarkable garden featuring hundreds of species of cacti and rare plants, with stunning views over Monaco and the Mediterranean Sea.

---

### **Casino de Monte-Carlo**

One of the French Riviera's most famous landmarks, renowned for its Belle Époque architecture, luxury cars and glamorous atmosphere.

Even if you don't gamble, it's well worth a visit.

### **Don't Miss**

#### **Lemon Festival®**

Every February, Menton hosts the famous Lemon Festival®, one of the French Riviera's most spectacular annual events.

The Biovès Gardens are transformed with giant sculptures made entirely from lemons and oranges, while colourful parades and entertainment fill the streets.

 My recommendation: visit the illuminated gardens in the evening for a truly magical experience.
